

RMB Stonehouse Security Arrangements

!! IMPORTANT !!

For attention of all hockey players and spectators:

Can PGSOB Hockey Club please politely take this opportunity to remind you of the security arrangements when visiting Royal Marine Barracks Stonehouse, Plymouth, where PGSOB play their home games.

We have been urgently reminded by the site Liaison Officer on behalf of the Unit Security Officer about the need to comply with the bases security arrangements, in particular when allowing civilian access to the sports facilities. We have been made aware of, in absolutely no uncertain terms, that this is a Military Establishment and that all hockey players must stay within the vicinity of the pitch as base CCTV has spotted civilians in areas they are NOT allowed into.

The base rules are:

- Only individuals **named** on submitted security lists are allowed on site – there are NO exceptions to this rule.
- **Security lists** for players, coaches and spectators need to be received by PGSOB HC, via email to SteveWherry@hydrock.co.uk or faxed to Steve Wherry at +44 (0)1752 347 811 by the Thursday **by** 14:00 before any weekend fixture.
- All civilians must stay in the designated hockey areas, which are:
 1. The road from the main gate to the astro-turf pitch
 2. The pitch and changing rooms
 3. The limited parking space alongside the pitch
 4. **NOWHERE ELSE** – *Please note that the base contains both a live firing range and equipment destined for active service and we must not go anywhere near this.*

We are sure you will understand the need to fully comply with these simple rules, particularly in these days of active military duty and we thank you in advance for full adherence to them.

Yours in hockey

PGSOB HC.
